We welcome you to MEDIQ Wealth Services. Our initial obligation at the start of the relationship is to fully inform you of your rights and entitlements and detail the services we provide.

This Financial Services Guide (FSG) is intended to inform you of certain basic matters relating to your relationship with our Authorised Representative and with us, prior to you being provided with an authorised financial service. Subjects covered in this FSG include who we are, contact details for us and our Authorised Representative, how we and our Authorised Representatives are remunerated, what to do in the event of a complaint, and the method by which we engage our professional advice process.

It is intended that this document should assist you in determining whether to use any of the services described. It is our duty to provide you with this document at the first available opportunity.

**This document is Part 1 of our FSG and should be read in conjunction with 'Part 2 – Adviser Profile', which will be given to you with this FSG. The two parts make up the FSG and the distribution has been approved by MEDIQ Wealth Services.**

## Before receiving advice

### Will we provide you with advice suitable to your needs and financial circumstances?

Yes. In order for us to provide quality advice, you need to supply us with your individual objectives, financial situation and needs. You have the right not to divulge this information; if you do not wish to do so then we are required to warn you that before acting on the advice provided, you will need to consider the appropriateness of the advice with regards to your personal situation and needs. You should ask your Authorised Representative about these consequences if you are not sure.

### What should you know about the risks of the financial products or strategies we recommend to you?

Our Authorised Representative will explain to you any significant risks of the financial products and strategies which are recommended to you.

### **What information do we maintain in your file and can you examine your file?**

Our Authorised Representative will maintain a record of your personal profile, which includes details of your objectives, financial situation, needs, copies of recommendations made to you and any products acquired by you.

If you wish to examine your file, we ask that you make a request in writing and allow up to fourteen (14) working days for the information to be forwarded. You may be charged a fee to cover the cost of verifying the application and locating, retrieving and copying any material requested. If the information sought is extensive, you will be advised of the likely cost in advance and we can help to refine your request if required.

### **Lack of Independence**

Under the Corporations Act 2001, we are prevented from using the terms independent, impartial and unbiased as we may receive commissions for the advice that we provide on life insurance products. Even if we do not receive commissions, we are still prevented from using these terms as we receive commissions for the advice provided by our Authorised Representatives on life insurance products.

### **Provision of advice**

#### **When will you receive a Statement of Advice?**

You are required to receive a Statement of Advice whenever our Authorised Representative provides you with personal advice which takes into account your objectives, financial situation and needs. This Statement of Advice will contain the basis on which the advice is given, personal information, recommendations and information about fees, remuneration and associations which may have influenced the provision of the advice. Thereafter, if your circumstances have not significantly changed, our Authorised Representative can provide you with another Statement of Advice or a Record of Advice as a confirmation of the advice provided. You are able to request a copy of these documents from our Authorised Representative at any time up to a period of seven years.

### **Product Disclosure Statement**

When our Authorised Representative makes a recommendation to acquire a particular financial product, you must also be provided with a Product Disclosure Statement from the issuing product provider which gives full details of the recommended product to assist in making an informed decision to acquire that product.

#### **How will you pay for the services provided?**

A fee may be charged for our services. This may be waived or partially offset by brokerage, commission or fees if you proceed. Upon implementation of the recommendations, our Authorised Representative may receive an upfront fee, commission (for risk insurance products) or a combination of both depending on how you agree to pay for the services. Fees can be based on total funds placed, the time spent on the services you receive, or as agreed between you and our Authorised Representative. Costs and remuneration will be disclosed in your Statement of Advice.

All fees and commissions are paid to MEDIQ Wealth Services, which deducts a fee for the services it provides as the licensee and then pays the balance to your Representative subject to any agreements. Some of our Authorised Representatives may have referral arrangements with other professionals. Where a referral arrangement is in place between the Authorised Representative and a third party, referral payments may be paid by our Authorised Representatives to a third party. Details of any referral fees will be disclosed to you in the Statement of Advice given to you at the time that advice is provided.

A review service fee may also be payable from time to time, depending on any extra work required such as a

major restructuring. Further details are provided in the Adviser Profile section.

#### Life Insurance advice

If you decide to purchase a life insurance product, unless stated to the contrary in your Statement of Advice, MEDIQ Wealth Services has elected to receive commission from the product providers and not invoice you directly for services provided. Please refer to the “Adviser Profile” section of this FSG for further details.

If you do not continue with a purchased life insurance product for a full 24 months, the commission received by MEDIQ Wealth Services is returned to the insurance company, and you may then be invoiced for this amount.

#### Investments and Superannuation advice

If you decide to proceed on the investment or superannuation advice provided, the fee you may be charged may be dollar based or may be calculated as a percentage of the amounts invested. The fee may also be reflective of an hourly rate. For details, please refer to the enclosed Adviser Profile section.

#### **Conflicts of Interest**

MEDIQ Wealth Services and our Authorised Representative may receive “additional benefits”, from product providers we deal with, such as

- Contributions to our training and education budget used for making available professional development to our Authorised Representatives,
- and/or small gifts or entertainment.

“Additional benefits” are not permitted to be paid to our Authorised Representative if they are as a result of, or conditional on, the amount of business an Authorised Representative gives to a product provider. MEDIQ Wealth Services has put measures in place to ensure that these “additional benefits” will not influence any financial product advice provided by MEDIQ Wealth Services Authorised Representatives.

MEDIQ Wealth Services holds no interest in, or investments, in any product provider.
